

## A.A.A. CHAMPIONSHIP RESULTS 2013

The 33<sup>rd</sup> Australian Anglers Association's Championships and Convention are over for another two years. These championships were conducted by the QLD Division of AAA in almost perfect daytime weather, though the early morning sign-ons were rather cool. It was good to stand under the outdoor heater.

We had over 100 competitors from Queensland who took part, but still could not bring home the prestigious State Trophy. We missed out on winning the Warrnambool Trophy, by just three points. Junior teams results are NOT counted for this trophy. If they were, Queensland would have won by a street!

However, Queensland did extremely well, taking out 32 of the 55 major trophies, and we say a big 'THANKYOU!' to you all for a wonderful effort. We weren't that disappointed really, as it was great to see the South Australian Ladies take home a couple of trophies (Ladies Offshore and Casting Teams), as did the New Zealand Veteran Ladies (Offshore Team) and West Australian, George Holman (Veteran Male Casting).

Below is an outline of how our Queensland competitors fared in these titles.

Jeff Crone (back right) was the National Men's Casting Champion and his son, Johnathan, was the runner-up Junior Casting Champion. In the centre front was our State Captain, Geoff Richards, and Geoff doesn't have a son.*
