କ୍ୱେନ୍‌ସଲ୍ୟାଣ୍ଡ ଆମାଟେର ଫିଶିଂ କ୍ଲବ୍

Congratulations to all who took part in the week long state titles; you all helped to contribute towards making this an extremely successful event. It was pleasing to see over 100 individual nominations featuring in one or more events.

I know that the fish catches were probably not up to expectations, but given the quarter the moon was in, as well as the windy weather we experienced during the event, I consider we fared reasonably well. There was also the matter that some of the starting times for the events were far too late and I can assure you this will be rectified for the National Titles.

The venue of the Power Boat Club was excellent and it created a great social atmosphere for all who attended, and I wish to thank the Club for allowing us to use their facility as our headquarters.

I would also like to thank my committee - Pam Crone (Administration Officer), David Reberger (Field Officer), Ken Grobe (Trophy Officer), Barry Purcell (Headquarters Officer) and all their helpers for the work they carried out before, during and (for some) after this event. Without their help, it would be impossible to run such a carnival.

I would also like to thank the following –

- Redcliffe City Amateur Anglers for donating all the heaviest fish trophies
- Ipswich Amateur Fishing Clubs Association for donating distance and accuracy trophies
- Gary Norris from Noosa Boat Club for donating the overall junior prizes
- Bluefin Fishing Club for the Divisional Team Glasses
- Allan Savage for making the Queensland maps for the Club Teams
- The Glasshouse Mountains Sports Club for the use of their grounds for casting

We used this event as a forerunner to next year's National Championships and have looked at the various aspects to see what we need to improve, and we have a list to work on. Remember the 2013 National Angling Championships and Convention has three rounds of each fishing discipline and two days of casting (individual and teams), and there is also a comprehensive social program for the non-fisher folk.

Somewhere you've got to be in 2013 - the National Angling Championships on the Sunshine Coast, starting August 6 with Registration and concluding on August 22 with the Presentation Dinner. If you haven't indicated you are going to attend, please fill out an 'Intention to Attend' form, so that we can get our paper trail in motion – it will save us a lot of time later.
